I would love you in a boat.

4

I would love you with a goat. I will love you in the rain.

8

In the dark. And on a train. In a car. And

11

in a tree. You are so good, so good—you see! So

15

I will love you in a box. And I will love you with a

18

fox. And I will love you in a house. And I will love you with a

22

mouse. And I will love you here and there. Say!

25

I will love you — a - ny - where.
