*8va--* I brought an apple pie to bed and

Ped.

12

set it down beside my head.

And when I fell asleep that night the

Ped.

25

ap-ples in the pie took flight.

*ped.*

30

They sailed up to the smiling moon who ate them with his

34

star-ry spoon. He sprink-led them with su-gar stars and

*ped.*

39

gave one to his best friend, Mars.

44

It's no use tak-ing pies to bed un-less the moon has

48

first been fed.

53

I brought an ap-ple pie to

57

bed...
