

Why Fades a Dream?

$\text{♩} = 100$

Why fades a dream? An

i-ri-de-scent ray flecked in-between the tryst of night and day.

Why fades a dream? Of con-scious

ness the shade wrought out by lack of light and made up-on life's dream.

13

Why fades a dream?

16

That thought may thrive, so fades the flesh-less dream; lest

19

men should learn to trust the things that seem. So fades a dream...

22

So fades a dream, that liv-ing thought may grow and like a

25

wax - ing star-beam glow up - on life's stream. So

28

fades a dream.

31

So fades a dream. So fades a

34

dream. ...a dream.
